Combined Higher Secondary (10+2) Level Examination, 2019 – Uploading of error percentage of the candidates in Typing Test

The Commission declared the result of Skill Test (Typing Test) of Combined Higher Secondary (10+2) Level Examination, 2019 on 28.02.2022. The details of error percentage of the candidates in Typing Test were uploaded on the website of the Commission on 09.03.2022 which is available upto 31.03.2022.

It has now been brought to the notice of the Commission that for some candidates the medium of Typing Test has been changed i.e. English to Hindi and *vice-versa*.

The matter has been examined and it has been found that there is **no error/discrepancy** in the evaluation of Skill Test. However, due to some clerical error, medium of the Test was changed for some candidates at the time of uploading marks module. The same has also been rectified/corrected.

The inconvenience caused to the candidates is regretted.
